Kitchen Faucet Collection

Our Story

In 1986, a new and innovative faucet manufacturer burst onto the scene and took the market by storm. Known for creative designs and superlative quality and workmanship, that brand was known as CONCINNITY. Over the course of its 20 years on the market, CONCINNITY became the benchmark for innovation in decorative faucets and synonymous with luxury.

When CONCINNITY ceased doing business in 2004, sadly, the brand name disappeared along with the great legacy it had created.

This absence has continued for too long! It is therefore our great pleasure and honor to announce the re-introduction of "THE NEW CONCINNITY FAUCET COMPANY".

A company is only as good as its people; and we've got the people! The "New" CONCINNITY is a wholly-owned, privately-held entity of Kissler & Company Inc., founded in 1923.

Headquartered in an 80,000 square foot facility in Northern New Jersey, Kissler & Company is second to none in its knowledge and distribution of more than 30,000 plumbing products. The company has a "ground up" knowledge of the faucet industry with its nearly 100 years of experience.

Still family-owned and run by the third generation family members, Kissler & Company felt the time was right to expand into the high-end, decorative faucet market.

Consequently, some of the former management team from CONCINNITY has joined THE NEW CONCINNITY to create its range and steer its direction and growth.

THE NEW CONCINNITY is not just a manufacturer. Rather, we are a decorative plumbing marketing team which will scour the world in search of the finest and most innovative plumbing products which we will produce, stock and distribute to you, all under a single banner – THE NEW CONCINNITY!

We re-introduce THE NEW CONCINNITY to you with a beautiful range of Contemporary, Transitional and Traditional Kitchen and Bar Faucets. We hope you like our product range; remember, this is only the beginning!

THE NEW CONCINNITY –Fine products for a new generation from a name you can trust –Again!

All faucets comply with federal and state statute as lead-free.

Concinnity Transitional Kitchen Faucets

The New Concinnity Transitional Kitchen Faucets are made to the highest standards in the industry, providing you years of service. Featuring smooth and soft lines, these bridge the gap between the stark lines of Contemporary and the classic lines of Traditional Faucets. With three stunning finishes to choose from, you can have warm ambiance with Euro Style sensibility. The New Concinnity also offer accessories (Escutcheon Deck Plates and Soap Dispensers) that will accent your kitchen perfectly. These faucets offer warmth, while also making your kitchen modern in spirit.

Concinnity Traditional Kitchen Faucets

*Model shown:
Yorktown
#500405*

The New Concinnity Faucet Traditional Series of Kitchen Faucets are inspired by classic Euro designs with modern, state-of-the-art technologies. Built to last and look fabulous for years. The warm, comforting lines look great in any kitchen setting. Any of the three finishes will look stunning in your kitchen and match your Traditional style. We also offer a variety of accessories that will accent your kitchen perfectly. Traditional Faucets by The New Concinnity give you the luxury of modern faucet technologies, as well as fantastic, warm and inviting looks of yesteryear.

THE NEW CONCINNITY FAUCET COMPANY
770 CENTRAL BOULEVARD
CARLSTADT, NEW JERSEY 07072
(P) 866-894-4377
(F) 201-896-9190

TERMS & CONDITIONS:

PRICE SHEET SHOWS LIST PRICES. CONCINNITY reserves the right to change prices without prior notice.

PAYMENT TERMS:

1% ten days, net 30

A 1-1/2% per month service charge will be applied to all amounts unpaid over 60 days. Customer is responsible for all collection fees occurred once placed for collection.

A \$35.00 fee will be charged for any returned checks due to insufficient funds.

Delivery dates are estimates. CONCINNITY will make every effort to ensure your shipment arrives on time.

COD FEES:

COD charge amount is \$35.00 plus shipping

DROP SHIPMENT CHARGES:

A \$35.00 drop shipment fee will be assessed for all approved shipments.

FREIGHT:

Freight allowance \$1000.00 net with the carrier of our choice.

A customer may request a particular carrier if the customer is paying freight.

CONSUMER LIMITED WARRANTY:

CONCINNITY provides the following warranties on its products:

This warranty is only granted to the original owner of the faucet and is not transferable.

Proof of purchase is required from one of our authorized dealers.

MECHANICAL WARRANTY:

A lifetime mechanical warranty is provided on all mechanical parts to be free from defects in material and workmanship under normal usage. Component parts are not part of this warranty.

FINISH WARRANTY:

Polished Chrome, Satin Nickel, and PVD finishes carry a lifetime warranty against tarnish assuming no detergents have been used to clean the faucet. Oil Rubbed Bronze is a living finish which is intended to gradually change over time, therefore this finish is excluded from our warranty.
